Course Overview

City & Guilds Level 2 Diploma in Leadership for Health & Social Care (Adults)

Is a suitable qualification for those who are just starting employment in the care industry or who are already working as a care assistant/worker. It can help you increase your skills & understanding of this sector as well as enhance your practice.

City & Guilds Level 3 Diploma in Leadership for Health & Social Care (Adults)

Level 3 is ideal if you are working in a care setting and you have some level of responsibility in your workplace. At times you will work unsupervised. Perhaps you aspire to be a Senior Care Worker, or maybe you want to develop or demonstrate your existing skills in this field.

City & Guilds Level 5 Diploma in Leadership for Health & Social Care

The **Diploma in Leadership for Health and Social Care Level 5** is the latest required qualification for Managers and Supervisors working within the Health & Social Care Sector. The mandatory and optional units will be determined if you are working with **Adults or Children/Young Adults as a Residential Manager, Manager or an Advanced Practitioner**. The qualification gives you the opportunity to increase your career opportunities and earning potential. You can also be confident at Inspections that you fully meet any Care Quality Commission (CQC) requirements.

OCR/City & Guilds NVQ Level 3 Certificate in Occupational Health & Safety

The **NVQ in Occupational Health and Safety Level 3** is a qualification aimed at those whose job includes elements of health and safety at a practitioner level. Usually individuals whose duties include hazard spotting, producing and reviewing risk assessments, and identifying appropriate control measures and safe systems of work. Therefore the candidate should have some responsibility for the **health, safety and welfare** of others. Upon completion of the course candidates can apply for TechIOSH.

OCR/City & Guilds NVQ Level 5 Diploma in Occupational Health & Safety Practice

The **Diploma NVQ in Occupational Health and Safety Practice Level 5** is suitable for those Supervisors, Managers and Consultants and other specialists with specific responsibilities for the **health, safety and welfare** of others in the organisation. As a result the candidate will have a significant degree of authority and autonomy and be in a position to influence policies and procedures in their organisation, take a leadership role and promote good **health and safety practice** and to implement changes relating to health and safety. Upon completion of the course candidates can apply for GradIOSH.

City & Guilds Level 5 NVQ Diploma in Occupational Health and Safety Practice Conversion Course

This conversion course allows candidates who have completed the **NVQ level 4 in Occupational Health & Safety Practice** to upgrade to the new standard City & Guilds **NVQ Level 5 Diploma in Occupational Health & Safety Practice**.

ILM NVQ Level 3 Certificate in Management

The **NVQ Certificate in Management Level 3** qualification is aimed at first line managers in all occupations and sectors who are responsible for managing budgets, allocating work to team members/ colleagues and contractors, achieving specific results and some degree of decision making. This allows you to develop your management performance, become more effective and progress your management career path.

ILM NVQ Level 5 Diploma in Management

The **NVQ Diploma in Management Level 5** qualification is aimed at those professional managers whose roles cross all occupations and sectors of employment, specifically for those whose job role includes: managing business processes, developing and implementing operational plans, planning and implementing organizational change and managing finance. Upon successful completion the qualification formally recognizes and allows the candidate to demonstrate and quantify their competency at a managerial level which is reflected against the new Qualification Credit Framework (QCF).

ILM NVQ Level 7 Diploma in Management

The **NVQ Diploma in Management Level 7** qualification is aimed at managers who are responsible for the control of activities and work output of other managers, who have the opportunity and the ability to demonstrate recognisable leadership and management skills, for example improving performance within the organisation, providing leadership, facilitate innovation, developing a strategic business plan, managing risk, workforce planning and project management.

ILM - VRQ Level 4 Diploma in Leadership & Management
